They say life is a battlefield  
I say bring it on  
If you wanna know how I feel  
Leave it till it's gone  
I'm just saying that what don't kill only makes you stronger  
If you don't recognize what is real  
Then forever is alone, lone, lone, lone

Time, some things never change here we go again  
Feel like i'm losing my mind  
Shake it off, then you go I don't care  
If it bothers go numb  
You never know until you let go  
Let's go numb

I can feel you now

Keep on doing the same old thing  
And you expecting change  
Well is that really insanity  
Or just a losers' game  
I only trust in the things I feel  
Some may say that's strange  
You better recognize what is real  
Cause forever is alone, lone, lone, lone

Time, some things never change here we go again  
Feel like i'm losing my mind  
Shake it off, then you go I don't care  
If it bothers go numb  
You never know until you let go  
We all go numb

I can feel you now  
I can feel you now  
I can feel you now  
I can feel you now

But you can't feel it do ya?

Shake it off, then you go I don't care anymore

I can feel you now  
I can feel you now  
I can feel you now
