Don't be mad at me on this one

I aint try hurt nobody  
Rock with me  
I don't wanna fall  
I don't wanna cus  
I'm sayin' this is not a confrontation just a  
yeah...baby  
listen  
Say what's wrong wit cha  
Baby what's up  
I can feel the pressure  
Build it up  
You need to let that go  
Even if you gotta cus  
I know watcha doin'  
You set me off  
You wanna fight about it

Just to make up  
so I can have my way wit cha  
Beat it up  
I be like freddy baby  
I put you on top

She say  
U make me fallin'  
She say  
I know I been there  
And I say  
But you aint gotta find  
I do it higher like
