I can't believe my eyes  
Connects your sexiness body  
The way you do it with your hands up  
I just wanna be all over  
Let me rock, with you  
Don't let nothing interrupt this groove  
Going at it like we bout to  
She know I'm on her like your my girl

Chorus:

You probably sayin that's a damn shame(that's a shame)  
I don't even know your name(no)  
I know it probably wont matter tonight  
Cause you been all on me I'm like  
OKAY!!  
okay  
I suggest we take this here home  
So we can make a love song  
I could be the best part of you waking up  
Shawdy now how that sound  
OKAY!!

Verse:

Ah ahh yea  
I see you wanna take it slow  
Gone and drop it to the floor real low  
ooh You know i want you bad cause i been all on that  
ass  
And you ain't looking at me sideways  
The DJ is playing the last song  
And its coming down to our last call  
This slow jam is specially dedicated what better way for  
a night to end  
Come on

Chorus

Car's outside waitin baby if you ready to roll  
Love that i got you opened up  
Curious of mine, to know whats on your mind girl
