The room is hot as hell
I hope that dress
Don't veil right
Over your body, baby
Look so good
You're very well
Ooh, what's underneath
Girl, I can tell
(It's hard to hide it baby)

Come on
Ooh, girl come here
There's no need
To be afraid
Of what you feel

Chorus:
Ooh, shawty
Good God
Almighty now
What we got here
(Touchin' all over)
I like the way you feel
Ooh, shawty
Don't hurt nobody
With what we got here
(Ooh, baby come closer)
Cuz I like
The way you feel

The way her body moves
My Lord
(Oh)
I've never seen before
(It's so erotic)
She put me up on
Somethin' new and then
She said
"Boy let me do what I do"

Baby come on
Ooh, baby come here

(Baby come here)
There's no need
To be afraid
Of what you feel

(Chorus)

When I see you
Doin' what you do
Your body's invitin me
Tellin' me to
Move you close
And whisper in your ear
Ooh, keep it right there
Don't you go nowhere

Ooh, shawty
Good God
Almighty now
What we got here
(Got here
Touchin' all over)
I like the way you feel
(I like it I like it)
Ooh, shawty
(Oh)
Don't hurt nobody
With what we got here
(Baby, come closer)
Cuz I like
The way you feel
(Ooh, shawty)

(Chorus)

(Come closer, c'mon)

(I like the way you feel)
