Oh, oh, oh, papers
Oh, oh, oh, papers

I can't get to work on time
Can't believe the words to her I just said
But who the hell argue and fight like dogs at 6 in the
morning?
I know it's gonna be some more sh** tonight

Our pastor's callin', tellin' me I done went too far
And I'm seen around town and my friends can't
recognize me
'Cause I took a chance on love
It's like I'm dyin'

For you I gave my heart and turned my back against
the world
'Cause you were my girl, girl, girl
I done damn near lost my mama, I done been through
so much drama
I done turned into the man that I never thought I'd be

I'm ready to sign them papers, papers, papers
I done took all I can take, but you leave me no options,
girl
I can't deny how much I love you, I done gave up
everything I had to
As hard as it is, I'm afraid I gotta say

I'm ready to sign them papers, papers, papers
I done took all I can take, but you leave me no options
girl
Oh, oh, oh, papers
Oh, oh, oh, papers

I'm losin' my mind, can't figure out who's wrong or
right
I know it's you I love, but then I also know it's you I don't
like
You claim you hate who I was, but that's the reason you
here now
You think I don't know what's up, but sweetheart that's

what ruined us

I ain't afraid to say I got needs but the only time you
here for me
Is when the bottles poppin' and everything is sweet
But I, I'm tired of sleeping in the other room spending
them long nights

Trying to figure out what in the hell in my heart I ain't
do right

For you I gave my heart and turned my back against
the world
'Cause you were my girl, girl, girl
I done damn near lost my mama, I done been through
so much drama
I done turned into the man that I never thought I'd be

I'm ready to sign them papers, papers, papers
I done took all I can take, but you leave me no options
girl
I can't deny how much I love you, I done gave up
everything I had to
As hard as it is, I'm afraid I gotta say

I'm ready to sign them papers, papers, papers
I done took all I can take, but you leave me no options
girl
Oh, oh, oh, papers
Oh, oh, oh, papers

Oh, oh, oh, papers
Oh, oh, oh, papers
Ready, ready, ready, ready

All my fellas up in here, if you had enough and you're
ready to sign, say
(Ready, ready, ready, ready)
I'm ready, yes I am
All my ladies if you sick and tired, and you're ready to
sign, say
(Ready, ready, ready, ready)

I can't keep livin' this life, I said I'm leavin' for the last
time I'm
Ready, ready, ready, ready

I done damn near lost my mama, I done been through
so much drama
I done turned into the man I never thought I'd be
I'm ready to sign them papers, papers, papers

I done took all I can take, but you leave me no options
girl

I can't deny how much I love you, I done gave up
everything I had to
As hard as it is I'm afraid I gotta say
I'm ready to sign them papers, papers, papers
I done took all I can take, but you leave me no options
girl
