Hello everybody
Welcome today to the wonderful world of you
Now check it, you have two options
You can eat it or throw it away

See it's ashame when you're working on doing well
People hate you yeah buying nothing that's not the best
for yourself
Then they really hate you yeah you gotta live for you
and no one else
Don't let 'em make you feel like you're not being real
Just live how you wanna live you gotta do for you

(Dig that)
If you work hard then play hard
(Dig that)
And do what u wanna do
(Dig that)
Just pop ya collar

Don't let what people say bother you
(Dig that)
You can eat it or throw it away
(Picture that)
You're just mad 'cause you're following in my trap
But can you dig that?

Hey ladies and my fellas
You know you're doing 'cause they jealous
(Pop, pop)
And what they hate 'cause you're a go-getter
(Pop-pop)
Pop ya collar, don't let 'em sweat ya
(Pop)

You can see me every week
Hanging out with a different girl sitting next to me
'Cause I'm not up to settle down right now
(I gotta be free)
Some of y'all fellas might be jealous
But y'all know that don't phase me
I just me back on the ones that hated me

(Dig that)
Never going home alone
(Dig that)
If she follows then you know it's on
(Dig that)
She get's the finger on the cellular phone
(Never that)
I let her know I won't be around for long

(Dig that)
To all you hater I got something to say
You can eat it or throw it away
(What's that?)
Stop hating, wishing, waiting
Anticipating for my year to fade, oh yeah

Hey ladies and my fellas
You know you're doing 'cause they jealous
(Pop, pop)
And what they hate 'cause you're a go-getter
(Pop-pop)
Pop ya collar, don't let 'em sweat ya
(Pop)

I brake my neck for the things I got so
Much sweat just so I can get that check
And I'm not gonna let anyone bring me down
Nobody's gonna steal my crown

Because I eat good I live good
I rock good, my life's good
If you got a lot and you're working for it
Pop ya collar don't be afraid to show it

Hey ladies and my fellas
You know you're doing 'cause they jealous
(Pop, pop)
And what they hate 'cause you're a go-getter
(Pop-pop)
