You gonna say something to the people

Prayer for you  
A prayer to you

Do I sound that bad

Just the simple thought of you means everything  
To my life you give meaning you're the best  
So precious my gift for life  
That's why I send you up this prayer  
I pray for your protection your covering  
That everything intended for you you'll receive  
And I'll believe he'll guide you  
Lord honor my prayer

Prayer for you

A prayer to you

I pray for yoy

Pray for you

I'll do my best to be there for you every day  
To be what my father wish he was to me  
Baby I got you  
Daddy you'll be there  
To encourage you to be the best you can be  
You carry my name I pray that you're better than me

I ain't going nowhere  
Even when I get on your nerves  
Cause I'm your daddy

My prayer for you

Son I pray for you
