(Romeo)

I've lost the balance for you love  
I felt in your hands you've control over me  
your body is the prison , and I'm a prisoner  
and I don't want to go , I'm happy condemned

(Usher)

Try to keep my balance but I still fall  
But how I fell so hard  
right into your arms  
wrapped inside you baby and it's so warm (yeah  
yeah)  
But Love without a cause  
leaves me trapped inside my own bars

(Romeo )

I want to be all yours , but I've afraid  
promise me that not to leave me without your love

(Usher)

I'll give you my heart girl but you got to promise  
(Promise me Mami)

(Usher Raymond)

promise you'll hold me, (hold me) touch me, (touch  
me)  
love me (love me).. way past forever

(Romeo:)

Forever, hear the words from Romeo

- yeah man,  
Usher ,baby,  
Romeo.

(Romeo )

I so young suffer heart trouble and for your love I  
would suffer thousand years and with so much honor  
(don't doubt it baby)

(Usher )

Trying to be calm but my chest keeps pounding  
Trying to swim but it's like I'm drowning..  
All I've come for is love, oh baby.

Romeo )

I want to be all yours , but I've afraid  
promise me that you won't leave me without your love

USHER))

I'll give you my heart girl but you got to promise  
(Ay Promise me Mami)

promise you'll hold me (hold me), touch me (oh  
touch me),  
love me.. way past forever

Romeo (speak) :

You need this in your life, Two kings, Revolutionary

Romeo:))

Hey. I'm afraid that you leave me abandoned  
because you are my breath ,everything for me

Usher))

But I realize yes,  
(It's) worth running the race, when the finish line is  
you

Romeo

I want to be altogether yours , but I've afraid  
promise me that won't leave me without your love

USHER))

If I give you my heart girl you got to promise  
(Promise that you'll love me baby)

Usher Raymond

promise you'll hold me, (hold me) touch me, (touch  
me)  
love me.. way past forever

Romeo))

I want to be altogether yours , but I've afraid  
promise me that won't leave me without your love
