Now that you are here with me  
Baby, lets do it right  
Lady, you know just what I mean  
I want to hold you, oh, so tight

Baby, just touch me anywhere, hey  
This cutie, gets, turn me on, oh, baby  
And I like to run my fingers through your hair  
So come on and stay with me all night

I wanna rock wit'cha, baby  
All night long  
I wanna roll wit'cha, lady  
The feeling so strong

I wanna rock wit'cha, lady  
All night long  
Rock 'n' roll 'n' roll 'n' rock  
Makin' sweet lovin', don't you ever stop
