The truth about a Roni, she's a sweet little girl  
You could treat her nice real and hold her tight  
Only tender Roni's, can give a special love  
A special kind of love that makes you feel good inside

So, if you believe in love and all that it can do for you  
Just give it one chance, girl, you'll find romance  
Hold on till you find a tender Roni that is right for you  
Make it official, give me your love  
Give me your love, give me your love

My heart belongs to tender Roni  
She's my only love, she's my only love  
My only heart, yeah, my heart belongs to tender Roni  
She's my only love, she's my only love

The truth about a Roni, she's a sweet old girl  
'Bout the sweetest little girl, the whole wide world  
Make the toughest homeboy fall deep in love  
Once you've had a Roni, you would never give up

Special kind of girl that makes her daddy feel proud  
You know, the kind of girl that stands out in crowds  
Oh, found a tender Roni and the Roni is so right  
Think I'm gonna love her for the rest of my life

[Incomprehensible]
