[Verse 1]

She was a hot girl lookin for a ride to get, And i was
with it
six pack said she worked about it, oooh i wanna get it
givin she's givin she's got me thinkin knock it knock it
down
But she didn't wanna play lust game
Couldnt get the finer things

[Bridge]

She would of mention girl wasup wasup
We can spend my paces girl wasup wasup
Let's take a trip around the world wasup wasup
'cause' i've been lookin for a girl like you baby

[Chorus]

She move that ass like maracas
The way she's shakin her tatas
Got my thing thing, Rigning ding ding
She got the part, She got the part
We bumped out dirty calipsal
I feel the heat from her lips Oh!
Have a debut lookin for you
She got the part, She got, she got the part

[Verse 2]

Bloom boom, her body boom's like a speaker
She like's to pump it
Dancin everybody wants to freak her, they wanna hump
it
Dangerous, Imfamous
She make's it feel like it wanna fust
Triple X movie queen, wanna own my private screen

[Bridge]

She would of mention girl wasup wasup
We can spend my paces girl wasup wasup
Let's take a trip around the world wasup wasup
'cause' i've been lookin for a girl like you baby

[Chorus]

She move that ass like maracas

The way she's shakin her tatas
Got my thing thing, Rigning ding ding
She got the part, She got the part
We bumped out dirty calipsal
I feel the heat from her lips Oh!
Have a debut lookin for you
She got the part, She got, she got the part

She move that ass like maracas
The way she's shakin her tatas
Got my thing thing, Rigning ding ding
She got the part She got the part
We bumped out dirty calipsal
I feel the heat from her lips Oh!
Have a debut lookin for you
She got the part, She got, she got the part

[Verse 3]

Baby girl i wanna be in your world
I want a sexy girl, one thats just like you
So wont you stay awhile, i like your purtorican style
Why don't you come with me tonight
I'll make it feel alright

[Chorus]

She move that ass like maracas
The way she's shakin her tatas
Got my thing thing, Rigning ding ding
She got the part, She got the part
We bumped out dirty calipsal
I feel the heat from her lips Oh!
Have a debut lookin for you
She got the part, She got, she got the part

She move that ass like maracas
The way she's shakin her tatas
Got my thing thing, Rigning ding ding
She got the part She got the part
We bumped out dirty calipsal
I feel the heat from her lips Oh!
Have a debut lookin for you
She got the part, She got, she got the part

She move that ass like maracas
The way she's shakin her tatas
Got my thing thing, Rigning ding ding
She got the part, She got the part

She got the part, She got, she got the part.
