You gotta get over it

You can't go around

Let's just enjoy the time

We've just just begun

Let's have... some fun

Until the moon turns to the sun...yeah

Look out the dj's got this party jumpin'

It's easy to let loose when you're sippin' something

Relax

Its what you deserve

There's no need... to be reserved... no

Show me what you're made of

Will be goin' goin'

All night can you stay up... stay up

Show me what you're made of

Put time... in the back of your mind

Spend what's left of it on the floor
