I was all alone, I was feelin rather low  
I needed someone to lift my spirits up  
So I dropped in on a dance just to take a glance  
And there this lovely thing was, she was more than  
enough

I asked her for her hand  
Said, "Would you like to dance?"  
So pleased that I had asked, she quickly took my hand  
And we danced and fell in love on a slow jam, hoh

Play another slow jam, this time make it sweet  
On a slow jam for my baby and for me, yeah  
Play another slow jam, this time make it sweet  
On a slow jam for my baby and for me, yes

Seems what you say is true, I feel the same way too  
You see I've waited all night long just to dance with you  
And when you touched my hand, I knew you were the  
man  
To turn my world around and make my dreams come  
true

The magic in your eyes  
Made me realize  
That everything I feel has got to be real  
And we danced and fell in love on a slow jam  
Play another slow jam, this time make it sweet  
On a slow jam, for me and my baby, yeah  
Play another slow jam, this time make it sweet  
On a slow jam, for my baby and me, yeah

I've been tryin' to find someone who  
I could give my good lovin' to  
Never ever did I dream I'd find someone, yeah  
I've been tryin' to find someone too  
I prayed to heaven and then I found you  
I swear I fell in love the night you danced into my heart

Play another slow jam, this time make it sweet  
On a slow jam, can I get a get a slow jam  
Do you want a slow jam?

Baby yeah

Play another slow jam, this time make it sweet  
Can I get a slow slow jam?  
Play another slow jam  
Are you gonna slow jam? Baby yeah

Play another slow jam, this time make it sweet  
On a slow jam, oh dance with me, baby yeah  
Play another slow jam, this time make it sweet  
On a slow jam
