Come and get
Ohh
Come and get
Yeah, yeah, yeah, baby
Slow love

Lay back and relax
I've got the love you've been searchin' for
Ain't out for games, so can't mess with your mind
I just wanna love you and take my time

I'm not the kind of guy who likes to take it fast
Gotta make it last tonight
Other guys like to hit and run, baby I'm not the one
Can't stop till you're satisfied so

Come and get some of this slow love
Ain't no need to rush, we've got all night to fly
Come and get some of this slow love
Let's just take our time and do it right

With a love like mine
No wrong can be done
'Cause I'll be lovin' you
One on one

Don't know who loves you before me
Not sayin' I'm a perfect man
But I'll love you perfectly

I'm not the kind of guy who likes to take it fast
Gotta make it last, tonight
Other guys like to hit and run, baby I'm not the one
Can't stop till you're satisfied, it's slow

Ain't gonna ask
Is it good to you, I know what to do
With the up and down, round and round
I'm just gonna give it to you
Nice and slow, here we go, oh

Here we go

Here we go
Here we go
Oh yeah

Here we go
Here we go
Here we go
Yeah, yeah, yeah

Come and get
Come and get some of this slow love
Come and get some of this slow love
Ain't no need to rush, we've got all night to fly
Come and get some of this slow love
Let's just take our time and do it right

Ain't, ain't, ain't gonna ask
Is it good to you, I know what to do
With the up and down, round and round
I'm just gonna give it to you
Nice and slow, here we go

Here we go
Here we go
Here we go
Oh, yeah

Here we go
Here we go
Here we go
Oh, yeah, yeah, yeah

Here we go
Here we go
Here we go
Oh, yeah

Here we go
Here we go
Here we go
Oh

Come and get some of this slow love
Ain't no need to rush , we've got all night to fly
Come and get some of this slow love
Let's just take our time and do it right

Come and get
Come and get
Come and get
