Got-got to keep it... Got, Got, Got...
Got to, Got to keep it close, it feel so right!

Ohh! (Got to keep it close, it feel so right) Ohh!

For you I'd write a symphony
I'd tell the violin
It's time to sink or swim
Watch him play for ya

For you I'd be (Who-ah)
Runnin' a thousand miles
Just get you where you are

Step to the beat of my heart
I don't need a whole lot
But for you I admit I
Rather give you the world
Or we can share mine
I know that I won't be the first one
Given you all this attention
Baby listen...

I just need somebody to love
I-I don't need too much
Just somebody to love (somebody to love...)
I don't need nothing else
So I'd promise girl, I'd swear
I just need somebody to love

I need somebody, I-I need somebody
I need somebody, I-I need somebody (Got to, Got to keep it close)

Everyday, I bring the sun around
I sweep away the clouds, smile for me (smile for me)
I would take, every second, every single time

Spend it like my last dime
Step to the beat of my heart

Step to the beat of my heart
I don't need a whole lot
But for you I admit I
Rather give you the world
Or we can share mine
I know that I won't be the first one
Given you all this attention
Baby listen...

I just need somebody to love (Ohh, no no no no)
I-I don't need too much
Just somebody to love (Somebody to love) Oh, oh...
I don't need nothing else
I'd promise girl, I'd swear
I just need somebody to love

I need somebody, I-I need somebody
I need somebody, I-I need somebody (Somebody to love)
I need somebody, I-I need somebody
I need somebody, I-I need somebody
I just need somebody to love

And you can have it all
Anything you want I can bring
Give you the finer things, yeah!
But what I really want
I can't find 'Cause, money can't find me
Somebody to love (Ohh Whoa)

(Got-got to keep it...)
Find me somebody to love
(Got to keep it close, it feel so right!)
Ohh...
(Love, love, love...)

I need somebody to love (Yeah!)
I-I don't need too much
Just, somebody to love
Somebody to love
I don't need nothing else, So I'd promise girl I'd swear
I just need somebody to love

I need somebody, I-I need somebody
I need somebody, I-I need somebody (Somebody to love)
I need somebody, I-I need somebody
I need somebody (I swear, I just need somebody to love)

I-I need somebody...
(Got to keep it close, it feel so right!)

Is she out there (to love, to love...)
Is she out there
Is she out there (to love, to love...)
Is she out there (like)
I just need somebody to love!
