Oooh Aaah

For you I'd write a symphony
I'd tell the violin
It's time to sink or swim
Watch 'em play for ya

For you I'd be (oh whoa)
Runnin' a thousand miles
Just get to where you are
Step to the beat of my heart
I don't need a whole lot
Coming for you I admit I'd
Rather give you the world
Or we can share mine
I know I won't be the first one
Giving you all this attention
Baby listen

I just need somebody to love
I, I don't need too much
Just somebody to love
(Somebody to love)
I don't need nothing else
I promise girl I swear
I just need somebody to love
(I need somebody I, I need somebody)
(I need somebody I, I need somebody)

(Usher Part)
Every day I bring the sun around
Sweep away the clouds
Smile for me (smile for me)
I would take every second every single time
Spend it like my last dime
Step to the beat of my heart
I don't need a whole lot
Coming for you I admit I'd
Rather give you the world
Or you can share mine
I know I won't be the first one
Giving you all this attention

So baby listen

I just need somebody to love (oh no no no no no no)
I, I don't need too much
Just somebody to love
(Somebody to love)

I don't need nothing else
I promise girl I swear
I just need somebody to love
(I need somebody I, I need somebody)
(I need somebody I, I need somebody)

Somebody to love
(I need somebody I, I need somebody)
(I need somebody I, I need somebody)
I just need somebody to love

And you can have it all
Anything you want I can bring
Give you the finer things (yeah)
But what I really want I can't find
Cause money can't find me
Somebody to love (oh whoa)
Find me somebody to love (oh whoa)

I need somebody to love (yeah)
I, I don't need too much
Just somebody to love
(Somebody to love)
I don't need nothing else
I promise girl I swear
I just need somebody to love
(I need somebody I, I need somebody)
(I need somebody I, I need somebody)
Somebody to love
(I need somebody I, I need somebody)
(I need somebody I, I need somebody)
I swear I just need somebody to love
(I need somebody I, I need somebody)
(I need somebody I, I need somebody)
(I need somebody I, I need somebody)
(I need somebody I, I need somebody to love)

Is she out there?
Is she out there?
Is she out there?
Is she out there?

I just need somebody to love
