On this one
We are gonna burn it up.
Get on the dancefloor

[Verse 1]

The story goes I'm at the bar
She's on out on the floor girls
Are coming they go.
But nun of them giving shows,
And we like ice
Cause I don't like them other guys.
So I know what to say it's time
To make my way over to here.

[Pre Chorus]

You know I gotta get at ya baby
Let no body to snatch at ya baby
Can nun other of these chicks match ya baby.
I got you baby, I got you baby
Making my way to traffic baby
We can break out and make a little magic
Baby,
If you mess it it might be tragic
Baby get at me baaby.

[Chorus]

You're the one I want (I want)
You're the one I need (I need)
Other chicks out here
Don't do it for me
Everybody out my way
I'm on a mission try to meet miss lady
I'm tryna to make her my baby
Tryna make you my baby
Girl I just wanna make you my baby

Oh I gotta get trough traffic
Ah I gotta get trough traffic
Ah I gotta get trough traffic
Snatch that lady standing over there
Snatch that lady standing over there
Yo snatch that lady standing over there
