Yo, after tonight
Don't leave your girl around me
True playa fo' real
Ask my nigga Pharrell

Don't leave your girl around me
True playa fo' real
Ask my nigga Pharrell

Situations will arise in our lives
But you gotta to be smart about it
Celebrations with the guys, I sacrificed
'Cause I knew you could not sleep without it

Meanwhile, I, I loved u
You were my girl
You see I, I thought the world of you
But you're still steady leavin'

U don't have to call
It's okay girl
'Cause I'ma be alright tonight

U don't have to call
It's okay girl
'Cause I'ma be alright tonight

Aw, girl your face is
Sayin' why, tears in eyes
Should've been more smart about it
Should've cherished me

Listenin' to friends, now it's the end
And again no story can end without it
Damn right, I, I loved u

You were my girl
You see I, I thought the world of you
But you're still steady leavin'

U don't have to call
It's okay girl

'Cause I'ma be alright tonight

U don't have to call

It's okay girl

'Cause I'ma be alright tonight

Gonna boogie tonight

'Cause I'm honestly too young of a guy

To stay home waitin' for love

So tonight I'm gonna do what a single man does

And that's party, oh yeah

U don't have to call

It's okay girl

'Cause I'ma be alright tonight

U don't have to call

It's okay girl

'Cause I'ma be alright tonight

U don't have to call

It's okay girl

'Cause I'ma be alright tonight

Gonna boogie tonight

'Cause I'm honestly too young of a guy

To stay home waitin for love

So tonight I'm gonna do what a single man does

And that's party

U don't have to call

It's okay girl

'Cause I'ma be alright tonight

U don't have to call

It's okay girl

'Cause I'ma be alright tonight

U don't have to call

It's okay girl

'Cause I'ma be alright tonight

U don't have to call

It's okay girl

'Cause I'ma be alright tonight
