Yeah, If you only knew
I already sized you up
Sittin' next to me lookin' so tough
And you're, fixin' your hair runnin' ya game
Telling me I only want one thing

Girl, sincerity is what you need for now
In awhile I'll do the and it's almost unfair to me
What you want, say baby, you're ready to see

It's so clear to me is it every word I hear you speak is
Whatever I wanna do it's whatever I wanna do
Whatever I want I can do to you
Whatever I want I can do to you
Whatever you say it's just giving me
Whatever I want baby, I can do, whatever I want

You can't get enough conversation I feel your touch
You're losing point trying to play the role
Let's keep it cool not sexual
Girl I know how you feel
But you don't want it for real
It's whatever I wanna do
You don't even know what you've gotten into

It's so clear to me is it every word I hear you speak is
Whatever I wanna do it's whatever I wanna do
Whatever I want I can do to you
Whatever I want I can do to you
Whatever you say it's just giving me
Whatever I want baby, I can do, whatever I want

It's so clear to me is it every word I hear you speak is
Whatever I wanna do it's whatever I wanna do
Whatever I want I can do to you
Whatever I want I can do to you
Whatever you say it's just giving me
Whatever I want baby, I can do, whatever I want

It just ain't right you're feeling so frustrated
You can't stop to feel love
Being this close to me

Girl you know that
Everything you need is right here

Tonight
(Tonight)
When we
(When we)
Do what
(Do whatever)
Ever we want to
(We want to
Oh yeah, whatever I want)

Mike Jones
Whatever I want whatever I need
She'll do whatever it takes to give it to me
She don't trip don't talk 'cuz she know I'll kick her out
And when I get bored bring her back to my house

I'm Mike Jones
(Who?)
Mike Jones
(Jones)
That'll hit a chick quick and make her walk home

Because whatever I wanna do I'ma do to you
I'm a grown man I do what I wanna do
So until you figure it out I'm kickin' ya out
Because I feel good single I don't need no spouse

I'm a bachelor who just got his bachelor's degree
So if pretty, sexy, and thick, come holla at me
281-330-8004 that's my cell phone number hit me up
on the low
281-330-8004 that's my cell phone number hit me up
on the low
(Mike Jones, who?)
(Swisha house, yeah)

Whatever I want

It's so clear to me is it every word I hear you speak is
Whatever I wanna do it's whatever I wanna do
Whatever I want I can do to you
Whatever I want I can do to you
Whatever you say it's just giving me
Whatever I want baby, I can do, whatever I want

It's so clear to me is it every word I hear you speak is
Whatever I wanna do it's whatever I wanna do
Whatever I want I can do to you

Whatever I want I can do to you
Whatever you say it's just giving me
Whatever I want baby, I can do, whatever I want

Whatever I want, whatever I want
