(Usher)

What's Your Name, Yea Baby What's Your Number  
Cuz Girl You Got Me, Got A Brotha Wonderin'  
If You Wanna, Homie And A Lover  
Cuz I Can Be Your Friend Til The End

Would It, Should It Be A Problem  
If I Holla "¿Como Se Llamo?"  
Would You Bother, Like Donna Summers  
Girl Give Me This Last Dance  
Until We Solar Skatin Babe  
Don't Wanna Float Away  
Cuz We Got The Light, You Be The Ball And Imma Be  
The Chain Babe  
As We Rotate (Round And Round And Round)  
You Got Nowhere To Go Babe (Gotta Look At You Now)  
Illuminate And Create A New Thang (Pop, Pop, Pop,  
Pop)  
Let'em Paparazzi Just You And Me Fate  
But We Can't Do A Thang Until I Know Your Name

(Usher-Chorus)  
Now Girl Wassup, I'm Goin Crazy  
Ey Girl Wassup, Cuz I Wanna Know If I Can Love You  
Yo Girl Wassup, Yea Won't You Be My Lady Ya  
Ya Girl Wassup  
I Wanna Know Who You Are

(Wil.I.am jibberish)
