Oo yeah  
Oh yeah  
Heart speaks in whispers  
If my heart could speak, baby, yeah

If I could I'd tell you how I feel, girl  
When I'm close to you  
At times I'd wish that my heart could tell you how  
Much I love you, but my heart speaks in whispers

If my heart could speak you'd know  
Girl, if my heart could speak you'd know  
That I love you so and I'll never let you go, no no

If my heart could speak you'd know  
Girl, if my heart could speak you'd know  
That I love you so and I'll never let you go, no no

If you could feel what I felt just now, kiss me  
To prove that your love for me is true  
Two hearts that beat as one  
Send signals to each other in whispers, yeah

If my heart could speak you'd know  
Girl, if my heart could speak you'd know  
That I love you so and I'll never let you go, no no

If my heart could speak you'd know  
Girl, if my heart could speak you'd know  
That I love you so and I'll never let you go, no no

If my heart could speak you'd know  
Girl, if my heart could speak you'd know  
That I love you so and I'll never let you go, no no

If my heart could speak you'd know  
Girl, if my heart could speak you'd know  
That I love you so and I'll never let you go, no no

I would tell you how I felt  
If I could find the words to describe  
The way I feel when you are near

Whenever you are by my side

What I feel inside is deep  
And I just don't know what to say  
Because my words get in the way  
Every time I try to say  
Do hear it, babe?  
I love you  
What I feel deep inside, baby  
[Incomprehensible]

If my heart could speak you'd know  
Girl, if my heart could speak you'd know  
That I love you so and I'll never let you go, no no

If my heart could speak you'd know  
Girl, if my heart could speak you'd know  
That I love you so and I'll never let you go, no no

If my heart could speak you'd know  
Girl, if my heart could speak you'd know  
That I love you so and I'll never let you go, no no

If my heart could speak you'd know  
Girl, if my heart could speak you'd know  
That I love you so and I'll never let you go, no no

I'll never let you go  
I'll never let you go  
I'll never let you go

I'll never let you go  
I'm gonna keep on holding on  
Holding on, oh yeah  
Never let you go  
Oh, never let you go  
Never let you go
