Yo, check this here
There's nothing that I'd rather do then spend this time
with U.
So why don't we just chill and make a cold cold sexy.
U know
U sure lookin' right
Spend some quality time
U make me want cha, cha, cha, ah, cha, cha.....
Yeah right there, jus' keep it right there
And I know you're gonna like it
Ooh baby, U sure love to....
Know what I'm sayin'
Nah, nah, nah, nah, nah
Verse1
We been hang out every day this week
How 'bout a n....fix U something to eat
And just chill
We ain't gotta wild out just chill
Parlay little momma right here
Sippin' on chardonnay
Slip on that Vicki Secret lingerie
'Cause I ain't tryin' to throw my money away (in the
streets)
If I can see U twerk it out for me
Chorus
Twerk in' it out
Laying in the cut
Kissing rubbing and making sweet love
Dame the club tonight
Let's twerk it out
It'll be just me on U from 11 to 6 in the morning
I know U like it when I do U like that
Let's twerk it out

Verse2
Now that I got U all soakin' wet
I bet U know what's comin' next
I'm gonna twerk U out
Aw baby let me tell U how
What U think about me
Twerk in' U from your front to your backend
Kick back in relax come sit up on my lap shorty

Tonight I'm takin' U all the way
Wont stop till U scream my name
Chorus 2x Bridge
Moring is coming and I don't want to let U go
Let's just lay here in this bed of red rose petals
I know that we're spent but
One kiss can make this start all over again
If U want it baby come with me
Verse3
It's way too treat
The way U making me feel
The way you're tworin' is oh so sexy
Ooh baby U sure love to ball
It's way too treat
The way you're tworin' is oh so sexy
Ooh baby U sure love to ball
Chorus- Ad Libs
