You God It Bad  
Usher  
(8701)

Oh, no, no, no, no, no...

When you feel it in your body  
You found somebody who makes you change your  
ways  
Like hanging with your crew  
Said you act like you're ready  
But you don't really know  
And everything in your past - you wanna let it go

I've been there, done it, fucked around  
After all that - this is what I found  
Nobody wants to be alone  
If you're touched by the words in this song  
Then baby...

You got, you got it bad  
When you're on the phone  
Hang up and you call right back  
You got, you got it bad  
If you miss a day without your friend  
Your whole life's off track  
You know you got it bad when you're stuck in the house  
You don't wanna have fun  
It's all you think about  
You got it bad when you're out with someone  
But you keep on thinkin' bout somebody else  
You got it bad

When you say that you love 'em  
And you really know  
Everything that used to matter, don't matter no more  
Like my money, all my cars  
(You can have it all back)  
Flowers, cards and candy  
(I do it just cause I'm...)  
Said I'm fortunate to have you girl

I want you to know  
I really adore you  
All my people who know what's going on  
Look at your mate, help me sing my song  
Tell her I'm your man, you're my girl  
I'm gonna tell it to the whole wide world  
Ladies say I'm your girl, you're my man  
Promise to love you the best I can

See I've been there, done it, fucked around  
After all that - this is what I found  
Everyone of y'all are just like me  
It's too bad that you can't see  
That you got it bad...hey

You got, you got it bad  
When you're on the phone  
Hang up and you call right back  
You got, you got it bad  
If you miss a day without your friend  
Your whole life's off track  
You know you got it bad when you're stuck in the house  
You don't wanna have fun  
It's all you think about  
You got it bad when you're out with someone  
But you keep on thinkin' bout somebody else  
You got it bad

[breakdown]

You got, you got it bad  
When you're on the phone  
Hang up and you call right back  
You got, you got it bad  
If you miss a day without your friend  
Your whole life's off track  
You know you got it bad when you're stuck in the house  
You don't wanna have fun  
It's all you think about  
You got it bad when you're out with someone But you  
keep on thinkin' bout somebody else You got it bad
