Oh, no, no, no, no.....

When you feel it in your body
you found somebody who makes you change your
ways
like hanging with your crew
said you act like you ready but you dont really know
and everthing in your past- you wanna let go

Ive been there, done it, fucked around
after all that - this is what i found
nobody wants to be alone
if you're touched by the words in this song
Then baby.....

U got, u got it bad
when your on the phone
hang up and you call right back
u got, u got it bad
if you miss a day without your friend
your whole life's off track
you know you got it bad when you're stuck in the house
you dont wanna have fun
its all you think about
u got it bad when you're out with someone
but you keep on thinking' bout somebody else
U got it bad.....

when you say that you love 'em
and you really know
everything that used to matter dont matter no more
like my money, all my cars
(you can have it all back)
Flowers, cards and candy
(I do it just cause I'm...)
said im fortunate to have you gurl
i want you to know
i really adore you
all my poeple who know what's going on
look at your mate, help me sing my song
tell her im your man, your my gurl

im gonna tell it to the whole wide world
ladies say im you gurl, your my man
promise to love you the best i can

see i've been there, done it, fucked around
after all that - this is what i found
everyone of ya'll are just like me
it's too bad that you cant see
that you got it bad...hey

u got, u got it bad
when you're on the phone
hang up and you call right back
u got, u got it bad
if you miss a day without your fri
