this is for you...imma take my time with you tonight
baby...

can i touch you like this...do you right you dont believe
me.let me show you..

verse 1) I've been waiting all this time for you and I and
everything i wanna do i have
Girl your so hot you burn everything insight your so fire

hook) whoaaaa.....I cant..wait i can show you what this
mean feed you slow
and make you fein whoaaaa.. yours so hot you burn a
hole in my dreams
your so fire(your so fire)

verse 2) in the middle of the night get so lonely nothing
but these pillows
and bed sheets i need you next to me I have visions in
my mind of you on
me of the better things the wetter thing you know what I
mean.....yeah

hook) I've been waiting all this time for you and I. and
everything i wanna do
I have in mind girl your so hot you burn everything
insight your so fire....yeah.
whoa.....I cant wait I can show you what this means
feed you slow and make
you fein whoaaaa.....your so hot you burn a hole in my
dreams...your so fire
(your so fire)

verse 3) you think im silly when i bite but your tasty you
make my body heat up in

human extacy..its a sexii lullaby to you from me. it get
so deep i mean so deep till we
fall asleep (ahhh) I been waiting all this time for you
and I.. and everything I
wanna do I have in mind...girl your so hot you burn
everything insight your so
fire

whoaa..your so fire whoaaaa...I cant wait i can show you
what this means
feed you slow and make you fein whoaaaa.....you so
hot you burn a hole in my
dreams your so fire... your so fire

verse 4) its okay lets say that what we're doing is
dangerous love sex passion
heat and you are cravin...hotter than sex and motion
pictures in entertainments
while sweatin bodies steaming.

whoaaaa...I cant..wait I can show you what this means
feed you slow and make
you fein whoaaaa....your so hot you burn a hole in my
dreams your so fire baby..yeah
yes you are your so fire your so hot its good to me(to
you from me)you set me on fire
what your doing to me i know your gonna like it your so
hot its good me (to you from me)
you set me on fire what your doing to me (fades away)
