

Usher & Alicia Keys "My Boo"

Visit "[My Boo](#)" on MotoLyrics.com

There's always that one person that will always have
your heart
You'll never see it comin', 'cause you're blinded from
the start
Know that you're that one for me, it's clear for everyone
to see
Ooh baby, oh
(You gotta rock away to this one)
You will always be my boo

See, I don't know about y'all, but I know about us and
uh
It's the only way we know how to rock
I don't know about y'all, but I know about us and uh
It's the only way we know how to rock

Do you remember girl, I was the one who gave you your
first kiss?
'Cause I remember girl I was the one who said put your
lips like this
Even before all the fame and people screamin' your
name
Girl, I was there and you were my baby

It started when we were younger you were mine, my
boo
Now another brother's taken over but it's still in your
eyes, my boo
Even though we use to argue it's alright, my boo
I know we haven't seen each other in a while
But you will always be my boo

I was in love with you when we were younger you were
mine, my boo
And when I see you from time to time I still feel like, my
boo
And you can see it no matter how I try to hide, my boo
And even though there's another man who's in my life
You will always be my boo

Yes, I remember boy, 'cause after we kissed
I could only think about your lips

Yes, I remember boy, the moment I knew you were the
one
I could spend my life with
Even before all the fame and people screamin' your
name
I was there and you were my baby

It started when we were younger you were mine, my
boo
Now another brother's taken over but it's still in your
eyes, my boo
Even though we used to argue it's alright, my boo
I know we haven't seen each other in a while
But you will always be my boo

I was in love with you when we were younger you were
mine, my boo
And when I see you from time to time I still feel like, my
boo
And you can see it no matter how I try to hide, my boo
And even though there's another man who's in my life
You will always be my boo

Oh my, oh my, oh my, oh my, my boo
My oh, my oh, my oh, my oh, my boo

It started when we were younger you were mine, my
boo
Now another brother's taken over but it's still in your
eyes, my boo
Even though we used to argue it's alright, my boo
I know we haven't seen each other in a while
But you will always be my boo

I don't know about y'all, but I know about us and uh
It's the only way we know how to rock
I don't know about y'all, but I know about us and uh
It's the only way we know how to rock

It started when we were younger, my boo
Now another brother's taken over
