feat. J. Cole

[J.Cole:]

Damn, cold world

I never thought I see that day that you're my old girl

Now I'm stuck here hollering at old girl

Got one, got two, three four girls

Shotgun in the drop made a right

Hut one, hut two, told them niggas take a hike

Then it's on to the next one, on, on to the next one

Hard to move on when you always regret one

[Miguel:]

I wonder sometimes

I wonder if I was wrong

Tryna do right by you got me here

Now all I am is alone

Cause her eyes

And those hips

And that (ass)

Don't compare, at all (no)

And at best, all they do is distract me

But now, deep down, when I face it

[Chorus:]

All I want is you

All I want is you (now)

All I want is you now

Now that you're gone, gone, gone

[Verse Two:]

Cause being a friend was killing me softly

Hear voices

Wondering where I went wrong

It was my fault, in the wrong time,

I wonder so often, regret get exhausted

Cause her eyes

And those hips

And that (ass)

Don't compare, at all (no)

And at best, all they do is distract me
But now, deep down, when I face it

[Chorus:]

All I want is you (mhm)
All I want is you (now)
All I want is you now (baby)
Now that you're gone, gone, gone, gone, gone

[Bridge:]

Cause they don't smile
Or smell like you
No they don't make me laugh
Or even cook like you
And they don't photograph
Nah, they don't sex like you
Let's face it, I can't replace it
That's why all I want is you now...

[J.Cole:]

I hit the club when you left me thinking that could heal
Trying to celebrate my Independence Day, Will Smith
Baby gurl who I'm kidding
Still sick, real shit
All my new bitches seem to get old real quick
And could it be you everything these plain bitches
couldn't be
Is it a sign from the Lord that I shouldn't be
Lost in the Player way sorta get old to me
Got me on layaway, girl you gotta hold on me
I say I'm wrong, you say come again
Damn, said I was wrong look don't rub it in
I got a lot on my mind
Got a flock full of dimes
Like a line full of hoes,
Look how they coming in
Just saying
You don't wanna have me then somebody will
I'm playing
Weight on my chest like I body build
I'm praying
You ain't content with trying to do your thang
Hey come back baby boomerang

[Miguel:]

That's why
All I want is you now (mhhm)
All I want is you now (yeah)
All I want is you now (sugar)
Now that you're gone, gone, gone, gone

You know that you're gone (I want you back)
