J. Cole

I never thought I see that day that you're my old girl
Now I'm stuck here hollering at old girl
Got one, Got two three four girls
Shotgun in the drop made her right
Hut one Hut two told them niggas take a hike
Then it's on to the next one on to the next one
Hard to move on when you always regret one

Miguel

I wanted some time. I wondered if I was wrong
Trying to do right by you got me here
Now all I am is alone

Cause honey our closeness and that
don't compare at all
And I bet all do is distract me but now
Deep down when I face it

Chorus : Miguel

All I want is you
All I want is you
All I want is you now
Now that you're gone, gone, gone

Miguel

Coz being your friend is killing me softly
I hear voices
Wondering where I went wrong
It was my fault
And the wrong time I wonder so often
Regret get exhausted

Coz hon our closeness and
And that don't compare at all
And I bet all do is distract me but now
Deep down when I face it

Chorus : Miguel

All I want is you
All I want is you now
All I want is you now

Baby now that you're gone, gone, gone

Miguel

Coz they don't smile or smell like you
Coz they don't make me laugh or even cook like you
Coz they don't photograph or even sex like you
Let face it I can't replace
that's why All I want is you

J Cole

I hit the club when you left me thinking that could heal
Trying to celebrate my Independence Day Will Smith
Baby gurl who I'm kidding
still sick Real sh!t
All my new bitches seem to get old real quick
Could it be you everything these plain bitches couldn't
be
Is it a sign from the Lord that I shouldn't be
Lost in the Player way sorta get old to me
Got me on layaway, Girl you gotta hold on me

I say I'm wrong, You say come again
Damn said I was wrong look don't rub it in
I got a lot on my mind
Got a flock full of dimes
Like a line full of hoes, Look how they coming in
Just saying
you don't wanna have me then somebody will
I'm playing
Weight on my chest like I body build
I'm praying
You ain't content with trying to do your thang
Hey come back baby boomerang

That's why

All I want is you now
All I want is you now
All I want is you now
Now that you're gone, gone, gone, gone
You know that you're gone
