I just wanna have fun
Have fun and make money
Always on some I'll shit
Around good people I could build with
Champion the ones that I'm near most
Fellow outcast and weirdos
I do it all without a co-sign
My fucking mind is a gold mine

Write a book, go to school
Save a life, learn a language of a land
Love a little bit harder
Man watch when I get my whole dream imma
I can't wait to put my whole fucking team on
Oh it's just a matter of time,
A matter of time
A matter of time
'Cause I ain't afraid to fail
Can't you tell, I want it all
I want it all, I want it all
I want it all.

Tell me that it's selfish
But is it selfish?
I mean it could be kind of selfish
F*ck it everybody selfish, yeah

I just want the whole world to know it's real
Don't you hear my passion
Don't you see I'm I'll
So let me put you on this art shit
You know, smart shit
Help you bring your mind to a better place
Teach each other how to elevate
Yeah, elevate

Elevate, elevate
Elevate yeah
Oh it's just a matter of time,
A matter of time,
A matter of time, yeah
'Cause I ain't afraid to fail

Can't you tell I want it all
Want it all, I want it all
I want it all

Tell me that it's selfish
But is it selfish?
I mean it could be kind of selfish
F*ck it everybody selfish yeah
I want it all, I want it all
I want it all, I want it all

Tell me that it's selfish
But is it selfish?
I mean it could be kind of selfish
F*ck it everybody selfish
I want it all

I want it all, I want it all
I want it all, I want it all
