Black leather skirt in a leopard print shirt. Whoa
We can skip dinner, headed straight for desert. Whoa
oh oh
When it feels so good then it just comes natural.
Baby arch your back. Point your toes

Ballerina squat, but your sex like art. Whoa
See rhythm is a talent, it cannot be taught. Whoa oh oh
When it feels so good then it just comes natural.
Baby arch your back. Point your toes.

Oh oh see I don't suppose. Mmm, mmm, that every
good girls knows
And oh oh oh, or every bad girl knows. Baby arch your
back, and point your toes

Fish net body suit, birthday cake whoa.
Fetish is a pleasure it cannot be faked whoa oh oh
When it feels this good, then it just comes natural
Baby arch your back, and point your toes.

Oh, polaroid flash, baby anything goes.
Feel the love don't keep your eyes closed
Cause when it feels this good baby just comes natural.
Baby arch your (back)!. And you know what to do

Yea, Yea baby and no I don't suppose. Oh that
every good girl knows. Or that every bad girl knows
Say, arch your back and point your toes. Yea, yea.

Mmmmm (x2)

Baby arch your back and point your toes.
