Vicious vixen, what is your vice?
I need an addiction, what is your price?
Is this you mansion, so anxious and sexy
And buy all your girlfriends for a slumber party
Baby, let's party ah, ah, ah
Baby, let's party ah, ah, ah
Baby, let's party ah, ah, ah
Baby, let's party ah, ah, ah
Baby, let's party ah, ah, ah

Chorus:

Bawdy, yeah it gets me
Bawdy, yeah and be
Bawdy, yeah it gets me
Bawdy, yeah and be
Bawdy, yeah it gets me
Bawdy, yeah and be

Into the ballroom, a black masquerade
Spell out to the garden, watch as they blaze
Red wine and candy, I'm flowing freely
Face in the fountain, baby let's party
Baby, let's party (baby, let's party)!
Baby, let's party (baby, let's party)!

Chorus:

Bawdy, yeah it gets me
Bawdy, yeah and be
Bawdy, yeah it gets me
Bawdy, yeah and be
Bawdy, yeah it gets me
Bawdy, yeah and be

And don't just sit, enjoy the bar!
I... and left the echo down the hall
From every bruise, you can hear them call
And they say oh, oh, oh, yeah
And don't just sit, enjoy the bar!
I...and left the echo down the hall

From every bruise, you can hear them call
And they say oh, oh, oh, yeah
And get party, party!

Chorus:

Bawdy, yeah it gets me
Bawdy, yeah and be
Bawdy, yeah it gets me
Bawdy, yeah and be
Bawdy, yeah it gets me
Bawdy, yeah and be
