"Don't Look Back"

If I (if I), don't make it back before the sun (the sun)
All you have to do is run (run)
Just promise me you run (run)

Don't look back [4x]

And promise me you run

I feel the night approaching
The moon is calling me
The love that eyes have witnessed
The horrors I convey
I feel compelled to warn you
I'm not all that I seem
And though I care about you
The night is calling me

If I (if I), don't make it back before the sun (the sun)
All you have to do is run (run)
Just promise me you run (run)

Don't look back [4x]

And promise me

If I should claim a victim
To devour you for the lie
I pray that you forgive me
It's just my appetite

If I (if I), don't make it back before the sun (the sun)
All you have to do is run (run)
Just promise me you run (run)

Don't look back [4x]

And promise me you run

If I (If I)
I should try (I should try)
Try to lure you baby (Try to lure you back)
Oooo, ooo you just get as far away as you can

Don't look back [6x]

Baby

OoO

Don't you look back you just keep running to that door
And promise me your run

Thought you run

Thought you run

What's your name, who's your daddy

Is he rich like me

Has it taken, the time to show it

All the things the things you need to live

Tell it to me slowly

I really want to know

Is the time of the season for loving, loving
