Girls like you remind me that I'm lonely  
Yeaaah  
Remind me that I'm lonely  
Don't want to pluck on that for with me  
I want you go home with me  
I've got just to know.  
I'm moving around in my bed

Someone, anyone to listen  
I feel like I'm missing the real thing  
Tell me where I go  
What I gotta feel  
I can always come when you ready I  
Like I'm wasting my time.  
Yeah  
Cause my heart beats slow and empty  
So watching around.

[Chorus:]  
Girls like you remind me that I'm lonely  
Yeaaah  
Remind me that I'm lonely  
Don't want to pluck on that for with me  
I want you go home with me  
I've got just to know.  
I'm moving around in my bed

I don't wanna think, I just wanna drink  
Cause I'm overcome by there's no friend  
And now I'm real, very curiously tale  
That you got a hole in your heart  
The part of me is missing  
The truth that I miss you for real

Wake ups with you  
Till I see a girl like you

Cause my heart beats slow and empty  
So watching around  
I love you

[Chorus]

Beautiful girls  
Intelligent girls  
Collate girls

I hate ya  
(Yeah I hate ya)  
But the truth is I want ya  
And I need ya  
Was the very best way to reach ya  
I research ya  
Cause I'm looking for something real

[Chorus]
