(Verse 1)

I test the guilt in your eyes
as your lips begin to lie
And it kills me everytime
But I always learn the hard way
just be cool, be kind
dont be dumb
dont be blind
its the sweet
thats in your smile
its nothing old
nothing new

(Chorus)

But I always learn the hard way
And it always ends in heartbreak
You put me in a hard place
Im always in a hard way
My heartbreaks with you
oh oh oh oh oh

(Verse 2)

I dont cry
I dont complain
Theres a pattern
to this pain
Just keep holdin back
the change
But i always learn the hard way
with you..
lets just face it
im complacent
im just comfortable
yes im jaded
and its all my fault
cuz i kno what you expect
so its cool
nothin new

(Chorus)

(Verse 3)
apologies
& promises
are empty words
same old shhh (same old)
cuz yesterday
we were on
and you were here
but now your so gone, gone

(Chorus)
