Strip off the shell
Give me the honor
Walk into the middle of the road
Give me the honor
How does it feel
Give me the honor
How does it look down there
Rolling [x4]

*We've got your instigation
You're subject instigation
We've got your instigation
You're subject instigation*

*Under the spotlight
Appearing under the spotlight
I'll never run under the spotlight
Killing under your daylight
I won't under*

*Walking the line
Attribute the honor
Cash power one back drop silhouette
Attribute the honor
How does it feel to look in the mirror
Attribute the honor
Through the winds through the wind and then it goes
Rolling [x4]*

*We've got your instigation
You're subject instigation
We've got your instigation
You're subject instigation*

*Under the spotlight
Appearing under your spotlight
I'll never run under the daylight
Killing under the moonlight
I won't under*

We'll instigate

*Instigation under the spotlight
We'll instigation appear under
We'll insti- [x3]
We'll instigate
We'll instigate till the opening
We'll instigate your sin
Yyeeeeaaa!*

White power, white backdrop silhouette [x4]
