I taste you, and infinite colors
collide in a fountain;
A vista for lovers

Kaleidoscope dream (x7)

Can you imagine a field of red lights
It flickers and flashes
'Cause our joy is electric

Kaleidoscope dream (x7)

Eeh, Ooh Breathe
Eeh, Ooh, close your eyes
Eeh Ooh, your with me -yeah
Reach high,
taste the sky, just hold my hand

Across the moon, we'll hope to fly
Your safe with me, your safe with me

Yeeaah, body language like piano keys
Allow me to provoke babe.
Make you sing a melody,

with every single stroke babe
And as i kiss your third eye, let your love come sweet

only you could be my

kaleidoscope dream(dream dream dream dream)
Kaleidoscope dream (dream dream dream dream)
Kaleidoscope dream (dream dream dream dream)

All these helium hues in a ray of amusement
Licking the stars from the sky

Kaleidoscope dream (x7)

Yeeaah, Body language like piano keys
Allow me to provoke babe.
Make you sing a melody

with every single stroke babe.
As i kiss your third eye,
Let your love come sweet

Only you could be my...

kaleidoscope dream
Kaleidoscope dream (dream dream dream dream)
Kaleidoscope dream (dream dream dream dream)
Kaleidoscope dream (dream dream dream dream)

Reach high, taste the sky
Just hold my hand
(Kaleidoscope dream)
Across the moon, we hope to fly
Your safe with me, your safe with me
Kaleidoscope dream (dream dream dream dream)
