Ohhhhh
Ohhhhhhhhhhhhhhh
Yea

[Verse 1]

How do I tell you I've found somebody else
When you love me even more than you love yourself?
How do I break it to you without breaking your heart?
I know it's gonna tear you apart and I can't do that so I
keep sneaking and cover all clues.
Keepin it secret to keep it from you.

[Chorus]

But it's like a knife cutting right through to my heart.
Knowing when I'm there in her arms how much it would
hurt you and that's what's killin me.
And I hate the lies but I don't know what else I can do.
The lies are much more kind than the truth
And I don't wanna hurt you.

[Verse 2]

How do I tell you I don't feel the same no more?

What I feel for someone else is what I've never felt
before.
How do I break it to you without makin you cry?
I couldn't put one tear in your eyes.
No I can't do that.
So I keep sneakin won't let nothin show.
Keepin it secret so you'll never know.

[Chorus]

[Bridge]

I can't bare to break the heart that loves me.
That is somethin I can't do so I'll just keep keepin it
from you ohhhhhhhhhhhhhhh....

[Chorus]

How do I tell you I've found somebody else?
