Imma rap to you real quick  
I wanna enjoy the luxury of like  
Not knowing each other for real  
Hol' up  
Lotus flower bomb, firefly  
When I'm low  
She take me high  
I can teach you all the sounds of love  
Flower bomb, let me guess your favorite fragrance  
And you got that bomb, huh, I'm tryna detonate you  
No disrespecting baby, just tryna make you smile  
Try to keep my spirits up, that's why I lays it down  
Try to keep your spirits up, lil' vodka whatever  
Took you forever to get dressed, I acknowledge your effort  
So I clap for her, she deserves an applause  
Shawty working so hard, she deserve that Vuitton  
Shawty where your baton, racing through my mind like  
She heard that I got that work, I heard that she been on strike  
Care to tell, I read your mind, she been on them dollars first  
Caramel macchiatos when shawty get into work  
I can be your boyfriend, be your nigga or a friend with perks  
I'm just tryna work that huh, they just tryna work your nerves  
I'm just tryna read your mind, I'm just tryna feed you mine  
I'm just tryna give you light, they just tryna leave you blind  
We're living in a fantasy  
I feel it when you dance with me  
It's feeling like you need to be  
My lady, my baby, yeah  
Can't you see  
I'm talking about eternity  
Tell me would you care to be  
My lady, my baby  
Flower bomb, can I blow up on your mind  
This is not no Sandra Bull, but you're Potion No.9  
Navigating through her eyes, destination to her thighs

And I hate to tell you too much, 'cause I stay with too  
much pride  
And we way too young to know love, maybe not but we  
don't need no rush  
Don't believe in love at first sight, but I believe in love at  
first huh  
Can I be with you just one night, I could wear you out  
inside  
I could tell you like persistence, but I make you cum in  
tri's  
I just think we need one night, can't decide if I came  
right  
Easy baby my thing tight, but that lotus flower just ain't  
right  
I ain't thinking I ain't right, can't decide but I can't fight  
Easy baby you the bomb and all, but I be damned if I do  
not land mine  
Or at least try, can I speak up?  
Was it peace out? can we eat lunch?  
Can we take shots? What's your flavor?  
Flat drinks we call A cups  
I just think I need one night  
Slightly more if it's done right  
With that gorgeous face, I don't know your name  
It ain't important babe 'cause Imma call you mine  
We're living in a fantasy  
I feel it when you dance with me  
It's feeling like you need to be  
My lady, my baby, yeah  
Can't you see  
I'm talking about eternity  
Tell me would you care to be  
My lady, my baby  
'Cause you don't know who, you don't know when  
The clock keeps ticking baby what's it gonna be  
You don't know who, you don't know when  
Let me teach you all the sounds of love  
Baby this was for you, lotus
