Yeah [X3]

Booty like
Ride the base like oh
Love to pop champagne when the girls dance slow
Shorty in my ear like Oh lets go
Got a king size bed that I know fits four

She keep on grabbing me
Like we all alone
She keep on telling me
Whatchu waiting for
She wanna fuck right now
Right now
Now, Right.
[X2]

Shorty just slow down
Im hitting twenty ones all night look out
Bottles are the best
Got money to burn
And he blew it like us baby look at him earn

Sliding my hands up your thigh babe
Paying nothing but attention while Im making you moan
Tell you and your girls to come on

She keep on grabbing me
Like we all alone
She keep on telling me
Whatchu waiting for

She wanna fuck right now
Right now
Now, Right.
[X2]

And its safe to assume babe
You get the grand tour of my room
Way you dance in that dress
Im kinda impressed

And I like the way youre letting me know
That youre ready to go

She wanna fuck right now
Right now
Now, Right.
[X8]
