Pa para pa pa pa para pa para pa para pa

Do you know my name baby
Do you know see this cane sugar
Do you see the feather in my hat (and my great big
cadillac)
They don't believe I keep a trick up my sleeve
I got a little bit dirt to me
Cause I'm a certified gangsta mac yea

So make your next move your best move sugar
I don't really got time to waste
You could be with the next dude or the best dude sugar
If you like it you can get your taste yea

And it's strawberry amazing
And I'm strawberry amazing
Strawberry amazing

Pa para pa pa pa para pa para pa para pa

Please take my hand fly away like peter pan
... when you're with me guarenteed
Let me be your mister come to the crib play twister
Left leg yellow right hand blue
Oooh let me get a look at you yea

You make that next move your best move sugar
Cause I don't really got time to waste noo
You could be with the next dude or the best dude sugar
And if you like it you get your taste

Strawberry amazing

You and me
... tree?
... pie baby?
Like carrage and peas?
Baby I can be your...
Baby if you want my love baby I got plenty
