You and I..
Are to divine.
What we share,
Extends the hands of time..
Even though..
we dont grow together.
What we share..
Is gonna last forever.. and ever.
Your supernatural.... oh oh oh.
Supernatural.. ohh yea.

You and I,
way way to divine...
Shit, even volatile..
When these energies do combine..
Even when.. baby,
we're just friends..
You cant deny,
gravity pulls till we intertwine.
Super natural...
Super natural...

Feels so off limits..
Its so forbidden..
But I cant wait,
To taste sweet temptation
We know its wrong
But its been so long
Lightyears away and still holdin on..

Your so off limits..
its so forbidden..
But I cant wait,
To taste sweet temptation
and who knows its wrong?
But its been so long.
lightyears and lightyears away..

Dont you agree?
thats its super..
baby super..

its always gon be super.
super...
super..
yea.. super..
natural roll roll.
Roll with me,
to a liquor store..
you and me can pick up a 4'.
Baby, maybe hit some dro'.
Playin' - maybe drop and roll.
For a minute babe,
you know how I play..
Wont you come and chill,
when you got some time for me?
Yea.. supernatural.
