Usher Feat. Freeway, Lil Jon & Ludacris "You Got It Bad"

Oh, no, no, no, no, no

When you feel it in your body
You found somebody who makes you change your ways
Like hanging with your crew said you act like you're ready
But you don't really know and everything in your past
You wanna let it go

I've been there, done it, fucked around
After all that this is what I found
Nobody wants to be alone
If you're touched by the words in this song, then baby

You got, you got it bad, when you're on the phone
Hang up and you call right back, you got, you got it bad
If you miss a day without your friend, your whole life's off track
You know you got it bad

When you're stuck in the house, you don't wanna have fun
It's all you think about, you got it bad
When you're out with someone
But you keep on thinkin' bout somebody else, you got it bad

When you say that you love 'em and you really know
Everything that used to matter, don't matter no more
Like my money, all my cars
(You can have it all back)

Flowers, cards and candy
(I do it just 'cause I'm)
Said I'm fortunate to have you girl
I want you to know, I really adore you

All my people who know what's going on
Look at your mate, help me sing my song
Tell her I'm your man, you're my girl

I'm gonna tell it to the whole wide world
Ladies say I'm your girl, you're my man
Promise to love you the best I can

See I've been there, done it, fucked around
After all that this is what I found
Everyone of y'all are just like me
It's too bad that you can't see that you got it bad, hey

You got, you got it bad, when you're on the phone
Hang up and you call right back, you got, you got it bad
If you miss a day without your friend, your whole life's
off track
You know you got it bad

When you're stuck in the house you don't wanna have
fun
It's all you think about, you got it bad
When you're out with someone
But you keep on thinkin' bout somebody else, you got it
bad

You got, you got it bad, when you're on the phone
Hang up and you call right back, you got, you got it bad
If you miss a day without your friend, your whole life's
off track
You know you got it bad

When you're stuck in the house, you don't wanna have
fun
It's all you think about, you got it bad
When you're out with someone
But you keep on thinkin' bout somebody else, you got it
bad
