Usher  
(Lil Jon, Ludacris)  
Yeah man, once again, it's on  
(It's on)

You know we had to do it again right  
(We had to do it again, boy  
I want you to sing to these niggaz man)

Uh, oh, oh, oh, I guess I'll go first  
Let me at 'em, check me out  
Let's get 'em

Baby, how you doing? Hope that you're find  
Want to know what you got in mind and I  
Got me feeling like Jodeci girl, I can't leave you alone  
Take a shot of this here, petron and its gon' be on

VIP done got way too crowded  
I'm about to end up callin' it a night  
She should holla at your girl, tell her that she came to  
see  
Pulled off beep beep shotgun in the GT with me

She said, "Ooh, I'm ready to ride", yeah  
(I was like)  
'Cause once you get inside, you can't change you mind  
Don't mean to sound impatient but you gotta promise  
baby  
Ooh

Tell me again  
(Tell me again my, baby)  
That we'll be lovers and friends  
(Oh, I gotta know, baby, oh yeah)

Tell me again  
Make sure you're right, oh, before we began  
That we'll be lovers and friends  
(Ooh, oh, it's a good look, baby)

Really good look, baby, look here

Sometime, wanna be your lover, sometime, wanna be  
your friend  
Sometime, wanna hug hold hands, slow dance, while  
the record spins  
Opened up your heart 'cause you said, I made you feel  
so comfortable  
Used to play back then, now, you all grown up like Rudy  
Huxtable

I could be your bud, you could beat me up  
Play fight in the dark then we both make up  
I do, anything just to feel yo butt  
Why you, got me so messed up?  
I don't know but you gotta stop tripping  
Be a good girl now turn around and get these whipping

You know you like it like that  
You don't have to fight back here's a pillow bite that  
And I'll be setting separate plays  
So, on all these separate days, your legs can go they  
separate ways

Tell me again  
(Tell me again my, baby)  
That we'll be lovers and friends  
(Oh, it's a good look baby)

Tell me again  
(Tell me over and over and over we can)  
That we'll be lovers and friends  
Make sure you're right before you choose

I's been knowing you for a long time  
(Shawty)  
But fuck it never crossed my mind  
(Shawty)

But tonight I seen something in you  
(Shawty)  
That made me wanna get with you  
(Shawty)

You ain't been nothing but a friend to me  
(Shawty)  
And a nigga never ever dreamed it be  
(Shawty)

Up in here kissing, hugging, screaming, touching  
(Shawty)  
Up in the bathtub rubber dubbing

(Shawty)

Are you sure you wanna go this route?

(Shawty)

Let a nigga know before I pull it out

(Shawty)

I would never ever cross the line

(Shawty)

Shawty, let me hit you tell me one more time

One more time

Tell me again

(Tell me again my, baby)

That we'll be lovers and friends

(Oh, it's a good look, baby)

Tell me again

(Make sure you're right, oh, before we leave)

That we'll be lovers and friends

(Tell me over and over and over we can)
