Yo after tonight, don't leave your girl around me
True playa for real ask my nigga Pharrell

Man I'm a playa girl you don't have to call
Six gees in my socks so I have to ball
Luda, without words I'll let the beat break her
Then hit the liquor store and them switzer sweet
makers

Yeah, me and some friendly friend friends
Close as the hairs on my chinney chin, chin
I'm a be aight tonight we down south
But I plan to get head straight up like Alfalfa

Situations will arise in our lives
But you got to be smart about it
Celebrations, with the guys, I sacrificed
'Cause I knew you could not sleep without it
Meanwhile I, I, I, I, I, I loved you, you were my girl
You see I, I, I, I, I thought the world of you
But your so steady still leavin', baby

You don't have to call, it's okay girl
'Cause I'ma be alright tonight
You don't have to call, it's okay girl
'Cause I'ma be alright tonight

Aw girl your face is, sayin' why
Tears in eyes, should've been more smart about it
Should've cherished me, listenin' to friends, now it's
the end

And again no story can end without it
Damn right, I loved you, you were my girl
You see I, I, I, I, I thought the world of you
But you're so steady still leavin baby

You don't have to call, it's okay girl
'Cause I'ma be alright tonight
You don't have to call, it's okay girl
'Cause I'ma be alright tonight

Gonna boogie tonight

'Cause I'm honestly too young of a guy
To stay home, waitin' for love
So tonight, I'm gonna do what a single man does

Damn what's with all the long faces?
You're lookin' for love in all the wrong places
Let's hit clubs and girls will take a shirt off
If not for me for the raspberry Smirnoff
Then me and Usher can knock 'em all
Then we up and disappear like socks and draws

A town, hit the block and get rowdy
We puttin' up A's like Summa Cum Laude
Yeah, I graduated at the top of the class
And yeah, I strap a harness to the top of yo ass
And I told 'em before the parties don't stop
So like Ripley's you believe it or not

And when you don't realize I'm the best ya had
Now you sittin' at home and you got it bad
Yo, I'm a get mine and move slow
So drink some prune juice and let the shit go
And that's party

You don't have to call, it's okay girl
'Cause I'ma be alright tonight
You don't have to call, it's okay girl
'Cause I'ma be alright tonight
You don't have to call, it's okay girl
'Cause I'ma be alright tonight

I'm alright, gonna boogie tonight
'Cause I'm honestly too young of a guy
To stay home, waitin' for love
So tonight, I'm gonna do what a single man does
And that's party

You don't have to call, it's okay girl
'Cause I'ma be alright tonight
You don't have to call, it's okay girl
'Cause I'ma be alright tonight

You don't have to call, it's okay girl
'Cause I'ma be alright tonight
You don't have to call, it's okay girl
'Cause I'ma be alright tonight
