Here's my heart
Please don't let me down, don't let me down
Here's my all
I won't let you down, won't let you down

And now the cloudboy's crying
Pulling back the reins
On a boxcar bound for glory
Where all tracks lead to sane
Refrain, yeah

Here's my heart
Please don't let me down, don't let me down
Here's my all
I won't let you down, won't let you down

Truth is clear, intentions sincere
Intentions sincere

Here's my all
I won't let you down, won't let you down
Mark my words
I won't let you down, won't let you down

Here's my all, i'm trying
Through it all, i'm smiling
Built new wings for flying
I'm trying

Here's my all
I won't let you down, won't let you down
Here's my heart
I won't let you down, won't let you down

Mark my words
I won't let you down, won't let you down
