"Laces Out"

Direct your eyes to the obvious proof.
And puppy dog lies won't sweeten the truth.
I whisper and scream but I can't refute.
It's absolute.
It's absolute.

I bite my lip as you sharpen your tongue,
I love you evermore even after you're stoned
We're pushing through the dirt now we're ready to
route
We're absolute
We're absolute

I'm breaking through,
I'm breaking through, through, through to you.
I'm breaking through.
I'm breaking through, through, through to you.
I'm breaking...

The messiness is bliss when you shoot and you miss
I wish those days like I wish the plague
I'm pushing at the wind
Now I'm pulling the chute

I'm absolute (absolute)
I'm absolute (absolute)
It's absolute. (absolute)
We're absolute (absolute)

I'm breaking through.
I'm breaking through, through, through to you.
I'm breaking through.
I'm breaking through, through, through to you.

Were my laces out? I don't know, I don't know
Were my laces out? I don't know, I don't know
(were my laces out)
I don't know. I don't know
(were my laces out)
I don't know. I don't know.
