Necromantic predictions  
False prophets execute the King  
The streets of London shall lie barren  
Awaiting the cleansing of the flames  
Heretics prepare for Armageddon  
Carting off the bodies of the dead  
Poisoned blood, a gift from God  
Shallow graves become your home

Prophecies of fire  
Plague cast upon man  
Divine retribution  
Great pretenders shall fall

Plague, fire, death  
Hate, fire, blood

Prophecies of fire  
Bloodshed of the just  
Divine retribution  
Extinguish the whole...  
Fucking world!

Holy churches, reduced to ash  
Mankind laid to waste  
Holy hell raised through the earth  
For all mankind to taste

Supernatural killing spree  
Heretics pray for salvation  
Clergyman cry to God  
Awaiting the tribulation

1666...A.D.(repeat 4 times)
