Music: R. Scythe 9/94, Lyrics: D. Slaughter 9/94

The king is dead- His scepter broken  
Rejoice (For it is) the day of retribution  
overthroned- I raise my sword in triumph  
Reign of terror- Hail Usurper!

Blood and fire- Mark my path of conquest  
Desperate screams are frozen in the air  
They have offered us their weakness  
Victory! Hail Usurper!

RELEASE THE DOGS OF WAR!  
We are the legions... the dwellers of the night  
Hear our battle cries  
Slaughtering victims as we stand proud  
The unholy Hordes  
We are crushing force of the damned  
The queen raped and killed  
The king lies dead as his fresh blood flows

Drink his blood from his skull  
His harem obeys the lashing of thy whip  
Raise the horns of the goat  
Wear the cloak woven of clergymen's? skin  
The simple mind of the king  
His power... nothing but a myth  
His servants now enslaved  
The Usurper slits the throat of the prince

[Solo: R. Scythe]

[Pause]

Upon Sunset, all dreams are crushed  
Blood stained on my sword of steel  
The thrill, the kill, the conqueror  
Rejoice, hail, victory  
Amidst inferno  
Women are chained for sodomy  
The ancient ones proudly observe  
Rejoice, hail, Usurper!
