Her warm body upon the ground  
Has yet returned to dust  
The magick from the wolfskin belt  
Awakens lycanthropic lust

Autumnal twilight  
Possessed by a dead moon  
Nocturnal immortality  
I now live again

Bloodthirst, lycanthropy  
I live again!

[Chorus:]  
Wolflord - nocturnal fiend for blood  
Wolflord - predator of gods

Demon soul - frigid blood  
Within wolfen skin  
Cloak of shadows, eyes of a cat  
Vrykolakas... massenm?rder  
Bloodthirst, lycanthropy  
I live again  
Nocturnal immortality  
I live again!

[Chorus]

[Solo: Scythe]

[Chorus]
