

## Utada Hikaru "Easy Breezy"

Visit "[Easy Breezy](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I still remember,  
The ways that you touched me.  
Now I know I don't mean anything to you.  
You're Easy Breezy, and I'm Japan-ezy.  
Soon you'll mean exactly nothing to me.

And that meansÂ...

You look stupid,  
Telling all your friends how you got the best of me.  
I intended to share the pleasure, only now I look stupid.  
We're living in a world with a lot of pressure,  
It's quite un-needed to put more pressure on me.

You came and went, and left my house like a breeze  
just passing by.  
Hello, goodbye, you left a note saying, "T'was nice  
stopping by."  
I should have never, ever let you inside.

I still remember,  
The ways that you touched me.  
Now I know I don't mean anything to you.  
You're Easy Breezy, and I'm Japan-ezy.  
Soon you'll mean exactly nothing to me.  
Does that mean anything to you?

Easy breezy,  
Do you wrestle to hide that you're feeling lonely?  
How do I breathe with all this pressure on me?  
Easy Breezy,  
When you wrestle you know that you hurt somebody.  
How do I breathe with all this pressure on me?

You came and went, and left my house like a breeze  
just passing by.  
Konnichiwa, Sayonara, was nice of you to stop by~  
Would it amuse you if I told you that IÂ...

I still remember,  
The ways that you touched me.  
Now I know I don't mean anything to you.

You're Easy Breezy, and I'm Japan-ezy.  
Soon you'll mean exactly nothing to me.  
Does that mean anything to you?

I still remember,  
The ways that you touched me.  
Now I know I don't mean anything to you.  
You're Easy Breezy, and I'm Japan-ezy.  
Soon you'll mean exactly nothing to me.  
Does that mean anything to you?

You're Easy Breezy,  
And I'm Japan-ezy. Oh Oh, Oh Oh.

You're Easy Breezy,  
And I'm Japan-ezy. Oh Oh, Oh Oh.

She's got a new microphone,  
She's got a new microphone,  
She's got, she's got, she's got a new microphone  
She doesn't need you anymore,  
Yeah she doesn't need you anymore.  
She's got a new microphone,  
She doesn't need you anymore.

Ooh, Oh.
